In the Year Two Thousand and Five.

AN ACT TO ESTABLISH SENTENCING GUIDELINES.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- 1 SECTION 1. Regarding Sentencing Guidelines.
- 2 **Section 1. Definitions.** The following terms as used in this
- 3 chapter shall have the following meanings:—
- 4 “Adjudication of delinquency,” a determination or finding pur-
- 5 suant to G.L. c. 119 § 58 that a juvenile is a delinquent child.
- 6 “Conviction,” a finding or verdict of guilt for a criminal offense.
- 7 “Criminal history group,” the classification of an offender’s
- 8 previous record of criminal convictions or adjudications of delin-
- 9 quency as set forth on the horizontal axis of the sentencing guide-
- 10 lines grid.
- 11 “Departure from the guidelines,” a sentence imposed outside
- 12 the sentencing range contained in the applicable grid cell for the
- 13 particular offense.
- 14 “Governing offense,” the offense having the highest offense
- 15 seriousness level among multiple offenses arising out of the same
- 16 criminal conduct.
- 17 “Grid cell,” the intersection on the sentencing guidelines grid
- 18 between the offense seriousness level and the criminal history group.

19 “Intermediate sanction,” a non-incarcerative sentence, or portion thereof, which includes a level of restriction, such as standard probation, intensive supervision probation, community service, home confinement, and day reporting, and which may be coupled with components, such as residential programming, substance abuse treatment, restitution, continuing education, vocational training, special education, and psychological counseling.

26 “Mandatory minimum sentence,” the provision of a criminal penalty for a particular offense which specifies the minimum term of incarceration and prohibits suspension of any sentence, placement on file, continuance without a finding, probation, and release on parole until the minimum term of imprisonment has been served.

31 “Master crime list,” the list in which offenses in Massachusetts currently punishable by a term of imprisonment are ranked for purposes of the sentencing guidelines.

34 “Offense seriousness levels,” the categories for ranking criminal offenses as set forth in the master crime list and on the vertical axis of the sentencing guidelines grid.

37 “Same criminal conduct,” any two or more offenses committed during a single criminal incident.

39 “Sentencing Commission,” the Massachusetts Sentencing Commission as defined in G.L. c. 211E § 1.

41 “Sentencing event,” an appearance before a court of competent jurisdiction during which sentence is imposed for one or more convictions or adjudications of delinquency.

44 “Sentencing guidelines,” all provisions set forth in this chapter which direct or guide judges in sentencing.

46 “Sentencing guidelines grid,” the sentencing matrix, with offenses classified on a vertical axis and criminal history groups classified on a horizontal axis, and which contains a sentencing guidelines range within each grid cell.

50 “Sentencing guidelines range,” the range of any sentence, including the range of intermediate sanctions, which may be imposed in each grid cell without constituting a departure from the sentencing guidelines.

54 “Split sentence,” a sentence to a house of correction which is suspended in part and includes a specified period of incarceration followed by a specified period of probation or intermediate sanction or both.

58 “Staircased offense,” a criminal offense which is ranked in
59 more than one offense seriousness level on the basis of the exis-
60 tence of a specified factor.

61 “Statutory minimum sentence,” the provision of a criminal
62 penalty for a particular offense which does not require the imposi-
63 tion of incarceration, but specifies the minimum term of incarcera-
64 tion, when incarceration is imposed.

65 **Section 2. Sentencing Guidelines Grid.** There are established,
66 consistent with the provisions of G.L. c. 211E § 3, sentencing
67 guidelines in the form of a sentencing guidelines grid with
68 offenses classified on the vertical axis according to seriousness
69 and criminal history classified on the horizontal axis according to
70 severity. Within each grid cell there is a sentencing guidelines
71 range, consistent with the provisions of G.L. c. 211E § 3(a)(3)(C).
72 The sentencing guidelines grid includes three sentencing guide-
73 lines zones:— (1) an incarceration zone, where only a sentence to
74 incarceration is within the sentencing guidelines range and a sen-
75 tence to an intermediate sanction constitutes a departure from the
76 sentencing guidelines; (2) a discretionary zone, where either a
77 sentence to incarceration or a sentence to an intermediate sanction
78 are within the sentencing guidelines range; and, (3) an interme-
79 diate sanction zone, where only a sentence to an intermediate
80 sanction is within the sentencing guidelines range and a sentence
81 to incarceration constitutes a departure from the sentencing guide-
82 lines. The following sentencing guidelines grid shall be used as a
83 basis for sentencing for convictions of all applicable offenses for
84 which incarceration is a possible sanction under existing statutes,
85 except for those offenses with mandatory minimum sentences
86 listed in § 8 (a) and (b) of this chapter.

87 **Section 3. Master Crime List.** Offenses which permit incarceration are ranked according to offense seriousness level. Murder, as defined in G.L. c. 265 § 1, is placed at the highest level of the sentencing guidelines grid and for this offense the sentencing provisions of G.L. c. 265 § 2 apply. The offense seriousness rankings are set forth in the following master crime list, which contains the following information:—

94 (a) “Grid.” A “YES” in this column denotes application of the sentencing guidelines grid. A “NO” in this column indicates the sentencing guideline grid is not applicable, and an alternate penalty provision as provided for in this chapter is applicable.

98 (b) “Offense seriousness level.” All offenses on the master crime list are ranked according to seriousness. For offenses to which the sentencing guidelines grid applies, the offense seriousness level of the governing offense determines the placement of the offender on the vertical axis.

103 For all offenses, the offense seriousness level also represents the level to which a prior conviction is to be assigned for purposes of determining the criminal history group.

106 (c) “Notes.” The following notes apply to certain offenses contained in the master crime list:

108 (1) “Note A” refers to offenses where the sentencing guidelines range exceeds the statutory maximum sentence in certain grid cells. In such circumstances, the sentencing guidelines range applies, except that no sentence imposed may exceed the statutory maximum sentence, as provided in § 9 of this chapter.

113 (2) “Note B” refers to offenses where the statutory minimum sentence exceeds the sentencing guidelines range in certain grid cells. In such circumstances, it is not a departure from the sentencing guidelines for a judge to impose a sentence within the sentencing guidelines range, nor is it a departure from the sentencing guidelines for a judge to impose the statutory minimum sentence, as provided in § 8 (e) of this chapter.

120 (3) “Note C” refers to offenses with mandatory minimum sentences in violation of G.L. c. 94C. The sentencing guidelines for these offenses are set forth in § 8 (c) of this chapter.

123 (4) “Note D” refers to certain firearms offenses and certain offenses pertaining to operating a motor vehicle or boat under the influence which may have mandatory minimum sentences. The

126 sentencing guidelines for these offenses are set forth in § 8 (a) and
127 (b) of this chapter.

128 (5) “Note E” refers to certain other offenses which have manda-
129 tory minimum sentences. The sentencing guidelines for these
130 offenses are set forth in § 8 (d) of this chapter.

131 (6) “Note F” refers to certain offenses for which a sentence to
132 an intermediate sanction constitutes a departure from the sen-
133 tencing guidelines.

134 (7) “Note G” refers to staircased offenses. The staircase factors
135 are described in § 4 (a) of this chapter.

136 (8) “Note H” refers to offenses for which the criminal history
137 group of the defendant is enhanced as described in § 4 (b) of this
138 chapter.

139 (9) “Note I” refers to offenses for which the level is contingent
140 on the level assigned to the underlying substantive offense and is
141 the same as the level assigned to the underlying substantive
142 offense, except that no sentence may exceed the statutory max-
143 imum sentence, as provided in § 9 of this chapter.

144 (10) “Note J” refers to offenses for which the level is contin-
145 gent on the level assigned to the underlying substantive offense
146 and is one level lower than the level assigned to the underlying
147 substantive offense, except that no sentence may exceed the statu-
148 tory maximum sentence, as provided in § 9 of this chapter.

149 (d) “Offense Reference” — the Massachusetts General Law ref-
150 erence for a particular offense.

151 (e) “Offense Penalty Reference” — the Massachusetts General
152 Law reference for a particular offense penalty provision when dif-
153 ferent from the offense reference.

154 (f) “Staircase Factor” — a specified factor, beyond the required
155 elements of for an offense, which determines the offense serious-
156 ness level.

157 (g) The master crime list also incorporates information existing
158 elsewhere in the General Laws. Any discrepancies between the
159 following items of information reproduced in the master crime list
160 and as they appear in the General Laws are to be resolved in favor
161 of those provisions of the General Laws which set forth the penal-
162 ties for the particular offense.

163 (1) “Offense” — an abbreviated offense description;

164 (2) “Penalty Type” — felony or misdemeanor;

165 (3) “Mandatory Time” — the mandatory minimum sentence,
166 where applicable;

167 (4) “Min H/C” — the statutory minimum sentence to the house
168 of correction, where applicable;

169 (5) “Max H/C” — the statutory maximum sentence to the house
170 of correction, where applicable;

171 (6) “Min Prison” — the statutory minimum sentence to the
172 state prison, where applicable; and,

173 (7) “Max Prison” — the statutory maximum sentence to the
174 state prison where applicable.

175 Where an offense is not found in the master crime list, the
176 judge shall impose an appropriate sentence, having due regard for
177 the purposes of sentencing set forth in G.L. c. 211E § 2. The
178 master crime list follows:—

179 **Section 4.** (a) *Staircasing certain offenses.* Certain offenses,
180 broadly defined to encompass a wide range of behavior, are placed
181 at more than one offense seriousness level in the master crime list.
182 These offenses are identified by a staircased notation on the
183 master crime list based on the following considerations:—

184 (1) *Manslaughter* in violation of G.L. c. 265 § 13 is a level
185 eight offense where it is voluntary manslaughter and a level six
186 offense where it is involuntary manslaughter.

187 (2) *Assault and battery by means of a dangerous weapon* in
188 violation of G.L. c. 265 § 15A is ranked according to the degree of
189 injury to the victim as follows:—

190 Assault and battery by means of a dangerous weapon is a level
191 six offense where there is significant injury to the victim. Signifi-
192 cant injury includes: injuries which are characterized by a pro-
193 tracted period of total disability or long term impairment of
194 function, loss of function of any body members, organ, or mental
195 faculty; injuries, not necessarily permanently disabling, which
196 require long term medical care or rehabilitative therapy; injuries
197 which involve a gross disfigurement; and, injuries which result in
198 a permanent residual disability or loss of function to a significant
199 degree.

200 Assault and battery by means of a dangerous weapon is a level
201 four offense where there is moderate injury to the victim. Mod-
202 erate injury includes: injuries which involve extreme physical pain
203 and some discernible disability or loss of function of some body
204 member, organ, or mental faculty, such as fractures, internal
205 injuries or wounds which are serious but not life threatening; and,
206 psychological trauma that results in some temporary or partial dis-
207 ability.

208 Assault and battery by means of a dangerous weapon is a level
209 three offense where there is no injury or minor injury to the
210 victim. Minor injury includes: injuries which require some emer-
211 gency treatment, such as lacerations, contusions, or abrasions,
212 which have no residual effect; concussions without lasting neuro-
213 logical impact; physical injuries that are painful and obvious but
214 not in any way disabling; and, minimal, psychological trauma
215 without lasting effect.

216 (3) *Armed robbery* in violation of G.L. c. 265 § 17 is a level
217 seven offense where there is a display of a gun. Any other viola-

218 tion of G.L. c. 265 § 17 is a level six offense with the exception of
219 certain violations of G.L. c. 265 § 17 that are subject to the provi-
220 sions of § 4(b) of this chapter.

221 (4) *Breaking and entering* in violation of G.L. c. 266 §§ 16
222 through 18 is a level four offense where the breaking and entering
223 involves a dwelling. Any other violation of G.L. c. 266 §§ 16
224 through 18 is a level three offense.

225 Certain property offenses are ranked according to the value of
226 property lost or destroyed as follows:—

227 Where the value of the property lost or destroyed is \$50,000 or
228 over, the offense is a level five offense.

229 Where the value of the property lost or destroyed is between
230 \$10,000 and \$50,000, the offense is a level four offense.

231 Where the value of the property lost or destroyed is \$10,000 or
232 under, the offense is a level three offense.

233 In determining the appropriate offense seriousness level for a
234 staircased offense, the judge may consider any evidence received
235 during the proceedings; any victim impact statement; any presen-
236 tence report, when the judge requests one; and, any other informa-
237 tion that the judge deems credible.

238 *Second and subsequent convictions.* When a statute provides for a
239 more severe penalty upon a second and subsequent conviction for an
240 offense, the second or subsequent offense is elevated one level on
241 the offense seriousness scale on the master crime list. Where the
242 offense is at level eight, the offender shall be moved over one cell to
243 the right to the next more serious criminal history group in the grid.

244 When a defendant is charged as a second or subsequent offender
245 under the relevant statute, the prior conviction or convictions that
246 served as the basis for the second or subsequent charge shall not be
247 counted in determining criminal history placement on the grid.
248 Offenses that are subject to a more severe penalty for second and
249 subsequent conviction are so designated in the master crime list.

250 **Section 5. Criminal History Groups.** There are five criminal
251 history groups on the horizontal axis of the sentencing guidelines
252 grid as follows:—

253 (a) *Criminal History Group A, No/Minor Record,* refers to a
254 criminal record that contains no prior convictions of any kind; or,
255 one to five prior convictions in any combination for offenses in
256 levels one or two.

257 (b) *Criminal History Group B*, Moderate Record, refers to a
258 criminal record that contains six or more prior convictions in any
259 combination for offenses in levels one or two; or, one or two prior
260 convictions in any combination for offenses in levels three or four.

261 (c) *Criminal History Group C*, Serious Record, refers to a crim-
262 inal record that contains three to five prior convictions in any
263 combination for offenses in levels three or four; or, one prior con-
264 viction for offenses in levels five or six.

265 (d) *Criminal History Group D*, Violent or Repetitive Record,
266 refers to a criminal record that contains six or more prior convic-
267 tions in any combination for offenses in levels three, four, five, or
268 six; or, two or more prior convictions in any combination for
269 offenses in levels five or six; or, one prior conviction for offenses
270 in levels seven through nine.

271 (e) *Criminal History Group E*, Serious Violent Record, refers to
272 a criminal record that contains two or more prior convictions in
273 any combination for offenses in levels seven through nine.

274 **Section 6. Determining Criminal History.** In determining place-
275 ment in the appropriate criminal history group on the sentencing
276 guidelines grid, the following provisions shall apply:—

277 (a) *Conviction-based criminal history.* Only those prior
278 offenses which resulted in a conviction shall be counted for crim-
279 inal history placement on the sentencing guidelines grid. All con-
280 victions that occurred prior to the present sentencing event shall
281 be counted for criminal history placement on the sentencing
282 guidelines grid. The offense seriousness level of each prior con-
283 viction shall be determined by reference to the version of the
284 master crime list in effect at the time of the sentencing event for
285 the present offense.

286 (b) *Incident-based criminal history.* Multiple prior convictions
287 arising from the same criminal conduct shall be counted as one
288 prior conviction, based on the most serious offense. There shall be
289 a rebuttable presumption that multiple prior convictions that have
290 the same arraignment date shall be counted as one prior convic-
291 tion, based on the most serious offense. Multiple convictions with
292 the same arraignment date may each be counted separately for
293 purposes of criminal history placement on the sentencing guide-
294 lines grid where each such conviction is not part of the same crim-
295 inal conduct. Multiple convictions with different arraignment

296 dates may be counted as a single conviction for purposes of criminal history placement on the sentencing guidelines grid where
297 each such conviction was part of the same criminal conduct.

298 (c) *Juvenile record.* Adjudications of delinquency for offenses
299 classified in offense seriousness levels seven through nine on the
300 master crime list shall be considered as convictions of the offenses
301 involved and counted for purposes of criminal history. Adjudica-
302 tions of delinquency for offenses classified below level seven
303 shall not be counted for purposes of criminal history, but the exis-
304 tence of such adjudications may be considered as an aggravating
305 factor for departure from the sentencing guidelines range.

306 (d) *Federal and out-of-state criminal records.* Prior convictions
307 in federal and other jurisdictions shall be counted for criminal his-
308 tory purposes. The offense of prior conviction shall be assigned to
309 the same offense seriousness level as the Massachusetts offense in
310 the master crime list with the same or substantially the same ele-
311 ments.

312 (e) *Prior convictions for staircased offenses.* Where the prior
313 conviction is a staircased offense and the offense seriousness level
314 of the staircased offense is not apparent from the criminal record,
315 there is a rebuttable presumption that the prior conviction is in the
316 lowest staircased level for that offense in the master crime list.

317 (f) *Determination of criminal history.* The judge shall decide
318 any material contested issues relating to criminal history.

319 **Section 7. Sentencing Pursuant to the Sentencing Guidelines**
320 *Grid.* Sentencing pursuant to the sentencing guidelines grid shall
321 be based on the offense or offenses of conviction and the criminal
322 history of the defendant. The offense seriousness level for each
323 offense of conviction shall be determined from the master crime
324 list. The appropriate level of staircased offenses shall be deter-
325 mined by taking into account the relevant staircasing factors set
326 forth herein. The number and types of prior convictions shall be
327 determined in accordance with § 5 of this chapter to determine the
328 appropriate criminal history group for the offender. The sen-
329 tencing guidelines range shall be determined by identifying that
330 grid cell where the seriousness level of the governing offense on
331 the vertical axis intersects with the classification of the criminal
332 history group on the horizontal axis.

334 (a) *Sentencing within the guideline range.* The sentencing judge
335 may impose a sentence to incarceration within the sentencing
336 guidelines range by imposing a maximum sentence from within
337 the guideline range of the appropriate grid cell. Unless otherwise
338 noted herein, the minimum sentence will always be two-thirds of
339 the maximum sentence and will establish the initial parole eligi-
340 bility date. This applies to all sentences of incarceration of two
341 months or longer to houses of correction and all sentences to the
342 state prison. Where the maximum sentence of incarceration to a
343 house of correction is less than two months, the minimum sen-
344 tence need not be two-thirds of the maximum sentence. Where the
345 maximum sentence is selected from the guideline range in the
346 applicable grid cell, the sentence will be within the guidelines and
347 no written explanation is necessary.

348 (b) *Departing from the guidelines range.* The sentencing judge
349 may impose a sentence below or above the sentencing guidelines
350 range by setting forth in writing reasons for departing from that
351 range on a sentencing statement, consistent with the provisions of
352 G.L. c. 211E, § 3(h). Any departure shall be based on a finding
353 that one or more mitigating or aggravating circumstances exist as
354 provided in this chapter. In imposing a sentence of incarceration
355 that departs from the sentencing guidelines range, the minimum
356 sentence shall be two-thirds of the maximum sentence. A sentence
357 that departs below the guidelines range may include a sentence to
358 any lesser term of incarceration or any intermediate sanction.

359 (1) *Mitigating and aggravating circumstances.* The following
360 non-exclusive mitigating and aggravating circumstances may
361 guide departures from the sentencing guidelines range. The pres-
362 ence of any such circumstance may warrant departure from the
363 sentencing guidelines range in the discretion of the sentencing
364 judge. In determining mitigation or aggravation, the judge may
365 consider any evidence received during the proceedings; any
366 victim impact statement; any presentence report, when the judge
367 requests one; and, any other information that the judge deems
368 credible.

369 (A) *Mitigating circumstances.* The non-exclusive list of miti-
370 gating circumstances includes the following:—

371 The defendant was a minor participant in the criminal conduct.

372 The defendant was suffering from a mental or physical condition
373 that significantly reduced the culpability of the defendant for
374 the offense.

375 The victim was an initiator, aggressor, or provoker of the
376 offense.

377 The sentence was imposed in accordance with a jointly agreed
378 recommendation.

379 The age of the defendant at the time of the offense.

380 The defendant verifies current involvement in, or successful
381 completion of, a substance abuse or other treatment program that
382 began after the date of the offense.

383 (B) *Aggravating circumstances.* The non-exclusive list of
384 aggravating circumstances includes the following:—

385 The victim was especially vulnerable due to age or physical or
386 mental disability.

387 The victim was treated with particular cruelty.

388 The defendant used position or status to facilitate commission
389 of the offense, such as a position of trust, confidence or fiduciary
390 relationship.

391 The defendant was a leader in the commission of an offense
392 involving two or more criminal actors.

393 The defendant committed the offense while on probation, on
394 parole, or during escape.

395 The defendant has committed repeated offenses against the
396 same victim.

397 The sentencing judge shall not be required to conduct an evidentiary hearing in determining aggravating or mitigating factors.

399 (c) *Concurrent or consecutive sentencing.* When a defendant is
400 convicted of multiple offenses arising out of the same criminal
401 conduct, the judge may impose concurrent or consecutive sen-
402 tences, subject to the following provisions. The judge shall
403 impose a consecutive sentence when the imposition of a consecu-
404 tive sentence is required by the terms of the statute pertaining to a
405 particular offense. The judge may impose concurrent or consecu-
406 tive sentences of incarceration in the house of correction for each
407 offense where such incarceration is permitted by law. The judge
408 may impose concurrent or consecutive sentences of incarceration
409 in the state prison for each offense where such incarceration is
410 permitted by law, subject to the following limitation. The judge

411 may impose consecutive sentences to the state prison by selecting
412 a sentence from the guidelines range in the applicable grid cell for
413 each offense to be sentenced consecutively. The total of such con-
414 secutive sentences may be combined up to twice the upper limit of
415 the sentencing guidelines range in the grid cell of the governing
416 offense. Where the total of the combined sentences exceeds twice
417 that upper limit, it shall be considered a departure from the guide-
418 lines and the judge is required to provide written reasons. The
419 existence of multiple victims is recognized as an aggravating cir-
420 cumstance which may justify such a departure.

421 Any sentence imposed as concurrent or consecutive to a gov-
422 erning offense may be for a period of incarceration that is less than
423 the lower limit of the sentencing guidelines range contained in the
424 applicable grid cell or for any level of intermediate sanction, without
425 constituting a departure from the sentencing guidelines.

426 When a defendant is convicted of multiple offenses which do
427 not arise out of the same criminal conduct or when a defendant at
428 the time of sentencing is currently serving a sentence for another
429 criminal offense, the judge may impose either a concurrent or con-
430 secutive sentence from within the sentencing guidelines range of
431 the applicable grid cell without the limitation on consecutive sen-
432 tences to the state prison set forth in this section.

433 **Section 8. Sentencing for Offenses with Mandatory Minimum**
434 **Terms.** Sentencing guidelines for offenses with mandatory min-
435 imum terms are as follows:—

436 (a) *Firearms offenses.* No departures below the mandatory min-
437 imum sentences for firearms offenses in violation of G.L. c. 269
438 §§ 10(a), 10(c), 10(d), or 10E are permitted. These enumerated
439 mandatory firearms offenses are not integrated into the guidelines
440 grid. The sentencing guidelines for these mandatory firearms
441 offenses are the mandatory sentencing provisions of the existing
442 statutes. The minimum term of incarceration shall be no less than
443 the mandatory minimum sentence provided in the statutes enumera-
444 ted in this paragraph. The sentencing judge is required to impose
445 a minimum and a maximum sentence, but the minimum sentence
446 need not be two-thirds of the maximum. For purposes of deter-
447 mining the criminal history group for a defendant with prior
448 mandatory firearms convictions, the master crime list provides the
449 offense seriousness level corresponding to the sentencing guide-

450 lines grid for each firearms offense with a mandatory minimum
451 sentence.

452 (b) *Operating under the influence offenses.* (1) For purposes of
453 this chapter, operating under the influence offenses refer to
454 offenses enumerated in the second paragraph of c. 90 § 23, in
455 c. 90 § 24(1)(a)(1), and in c. 90B § 8(a)(1)(A). With the exception
456 of the departure enumerated in sub-paragraph (b) (2) of this
457 section, no departures below any mandatory minimum sentences
458 for operating under the influence offenses are permitted. These
459 operating under the influence offenses are not integrated into the
460 guidelines grid. The sentencing guidelines for these operating
461 under the influence offenses are the mandatory sentencing provi-
462 sions of the existing statutes. The minimum term of incarceration
463 shall be no less than any mandatory minimum sentence provided
464 in the statutes enumerated in this paragraph. The sentencing judge
465 is required to impose a minimum and a maximum sentence, but
466 the minimum sentence need not be two-thirds of the maximum.

467 (2) A judge may sentence a defendant, who has been previously
468 convicted of a violation of c. 90 § 24(1)(a)(1) or c. 90B
469 § 8(a)(1)(A) or assigned to an alcohol or controlled substance edu-
470 cation, treatment, or rehabilitation program by a court of the com-
471 monwealth or any other jurisdiction because of a like violation not
472 more than two times within ten years preceding the date of the
473 commission of the operating under the influence offense for which
474 he has been convicted, to a long term residential substance abuse
475 treatment program, approved by the office of community correc-
476 tions, as established in G.L. c. 211F § 2(a), in lieu of imposing the
477 mandatory minimum sentence. No other departures below any
478 mandatory minimum sentences for operating under the influence
479 offenses are permitted.

480 (3) For purposes of determining the criminal history group for a
481 defendant with prior convictions for operating under the influence
482 offenses, the master crime list provides the offense seriousness
483 level for each operating under the influence offense.

484 (4) Nothing in this section shall be found to prohibit a sentence
485 pursuant to c. 90 § 24(1)(a)(4) or c. 90B § 8(a)(3)(A).

486 (c) *Offenses in violation of the controlled substances act.* Con-
487 trolled substances offenses with mandatory minimum terms are
488 integrated into the sentencing guidelines grid. As set forth in the

489 master crime list, violations of G.L. c. 94C § 32E (b)(4) and § 32E
490 (c)(4) are level eight offenses; violations of G.L. c. 94C §§ 32E
491 (a)(4), 32E (b)(3), 32E (c)(2), and 32E (c)(3) are level seven
492 offenses; violations of G.L. c. 94C §§ 32 (b), 32A (d), 32E (a (3),
493 32E (b)(2), 32E (c)(1), 32F (a), 32F (d), and 32K are level six
494 offenses; violations of G.L. c. 94C §§ 32A (b), 32B (b), 32E
495 (a)(2), 32E (b)(1), 32F (b), and 32F (c) are level five offenses;
496 and, violations of G.L. c. 94C §§ 32A (c), 32E (a)(1), and 32J are
497 level four offenses.

498 For the offenses enumerated in the preceding paragraph, a
499 judge shall provide written reasons for sentencing below a manda-
500 tory minimum term even though the judge may be imposing sen-
501 tence that is within the guidelines range of the sentencing
502 guidelines grid. The standard for sentencing below the mandatory
503 minimum term is more stringent than the standard for departure
504 below a sentencing guidelines range. A departure below a manda-
505 tory minimum sentence for the controlled substances offenses
506 enumerated above is not permitted unless the defendant has no
507 prior conviction for a controlled substance offense in level seven
508 or eight and the sentencing judge finds the existence of one or
509 more mitigating circumstances.

510 A judge may impose a sentence below the sentencing guide-
511 lines range, provided that:— (a) the criminal history of the defen-
512 dant falls in criminal history group A or B in the sentencing
513 guidelines grid; and, (b) there is a substantial mitigating factor in
514 addition to the mitigating circumstance or circumstances that jus-
515 tified the departure below the mandatory minimum sentence that
516 should result in a sentence below the sentencing guidelines range.

517 Where the judge departs below the mandatory minimum sen-
518 tence and imposes an incarceration sentence within the guidelines
519 range or below the guidelines range, the minimum sentence shall
520 be two-thirds of the maximum sentence; the defendant shall be
521 eligible for parole at the expiration of the minimum sentence; and,
522 the defendant shall be eligible for earned good time, work release,
523 and other pre-release programs deemed appropriate by the correc-
524 tional authority with custody responsibility, notwithstanding the
525 provisions of G.L. c. 94C § 32H.

526 Where the judge does not depart from the mandatory minimum
527 sentence and imposes a sentence pursuant to any mandatory sen-

528 tencing provision, the minimum sentence need not be two-thirds
529 of the maximum sentence, and the defendant shall not be eligible
530 for parole, earned good time, work release, or other pre-release
531 programs until he has served the mandatory minimum sentence, as
532 mandated by G.L. c. 94C, § 32H.

533 (d) *Other offenses with mandatory minimum terms.* No depart-
534 tures below any mandatory minimum sentence provided for in
535 these enumerated sections are permitted. As set forth in the master
536 crime list, violations of G.L. c. 90 § 24G (a), c. 90B § 8B (1),
537 c. 272 § 4B, and c. 272 § 6 are level six offenses; violations of
538 G.L. c. 265 § 43 (b), c. 265 § 43 (c), and c. 272 § 4A are level five
539 offenses; violations of G.L. c. 272 § 4A, c. 90 § 24L (1), c. 90B
540 § 8A (1), c. 266 § 27A, c. 266 § 28 (a), c. 268 § 39, and c. 272 § 7
541 are level four offenses.

542 For these offenses the minimum sentence shall be two-thirds of
543 the maximum sentence selected from within the applicable guide-
544 lines range, provided that all sentences require a minimum term of
545 incarceration equal to or greater in length than the mandatory min-
546 imum sentence. It shall not constitute a departure for a judge to
547 impose a sentence exceeding the guidelines range of the applic-
548 able grid cell in order to comply with the requirement that the
549 minimum term of incarceration must be equal to or greater in
550 length than the mandatory minimum sentence and the requirement
551 that the minimum sentence shall be two-thirds of the maximum
552 sentence.

553 The defendant shall be eligible for parole at the expiration of
554 the minimum sentence. The defendant shall not be eligible for
555 earned good time, work release, and other pre-release programs
556 deemed appropriate by the correctional authority with custody
557 responsibility, until the defendant has served the mandatory min-
558 imum sentence.

559 (e) *Offenses with statutory minimum sentences.* For those
560 offenses with a statutory minimum sentence, it shall not be con-
561 sidered a departure for the judge to impose a sentence within the
562 sentencing guidelines range, even though the sentence may be
563 below the statutory minimum sentence. Where the statutory min-
564 imum sentence exceeds the sentencing guidelines range, the impo-
565 sition of the statutory minimum sentence shall not constitute a
566 departure from the sentencing guidelines.

567 **Section 9. The Statutory Maximum Term.** Notwithstanding G.L.
568 c. 211E § 3(c), a judge may not impose any sentence which
569 exceeds the statutory maximum term set forth in the statute that
570 establishes the penalty for the particular offense.

571 **Section 10. District and Municipal Court Jurisdiction.** When a
572 district or municipal court judge is imposing a sentence and the
573 sentencing guidelines range in the applicable grid cell exceeds the
574 district and municipal court sentencing jurisdiction of two and one
575 half years, the sentencing guidelines range shall be an incarcera-
576 tion zone range of 20 to 30 months and it shall not constitute a
577 departure from the sentencing guidelines for a district or munic-
578 ipal court judge to impose a sentence of incarceration from within
579 the 20 to 30 month sentencing guidelines range.

580 **Section 11. Sentencing to Intermediate Sanctions.** Guidelines
581 for sentencing to intermediate sanctions, as defined in G.L.
582 c. 211F § 1, are integrated into the sentencing guidelines grid in
583 the discretionary zone and the intermediate sanctions zone as
584 described in § 2 of this chapter.

585 There are four levels of intermediate sanctions according to the
586 severity of the restrictions on personal liberty and the intensity of
587 supervision. The four levels of intermediate sanctions are inte-
588 grated into the grid as follows:—

589 Level IV, 24-hour restriction, under which the offender is sub-
590 ject to 24-hour restriction and accountability of his whereabouts.
591 This represents the maximum level of restriction and account-
592 ability short of incarceration.

593 Level III, daily accountability, under which the offender is sub-
594 ject to daily accountability of his whereabouts. This represents the
595 level of restriction and accountability that falls in between 24-
596 hour restriction and standard probation supervision.

597 Level II, standard probation supervision, under which the
598 offender is subject to weekly accountability of his whereabouts.
599 This represents the level of restriction and accountability that is
600 typically associated with standard probation supervision.

601 Level I, financial accountability, which represents the level of
602 restriction and accountability that is typically associated with
603 administrative probation. It is primarily designed to monitor the
604 timely payment of restitution, fines, victim/witness fees, and the
605 like, by the offender.

606 A sentence to an intermediate sanction shall be imposed as a con-
607 dition of probation, consistent with the provisions of G.L. c. 211F
608 § 3(c). The length of the probation period that may be imposed shall
609 be consistent with the provisions of G.L. c. 276 § 87. The sentencing
610 judge shall specify the intermediate sanction level at which the
611 offender will start serving the term of probation and may also
612 include a minimum period during which the offender is required to
613 be supervised at that level. The supervising probation officer has the
614 discretion to move a probationer down in level or levels in appro-
615 priate circumstances, without judicial consultation, consistent with
616 any special conditions or time restrictions specified by the judge.
617 Such a reduction in the intermediate sanction level by a probation
618 officer shall not go below the guideline levels set forth in the grid
619 cell in which the offender was sentenced.

620 A judge has the exclusive authority to increase an intermediate
621 sanction level or add program components.

622 **Section 12. Revocation of Probation.** The sentencing guidelines
623 do not apply to a probation revocation hearing. In imposing a sen-
624 tence at a probation revocation hearing, the judge has the discre-
625 tion to impose any sentence up to the statutory maximum. When
626 imposing a sentence of incarceration, the judge shall impose both
627 a minimum sentence and a maximum sentence and the minimum
628 sentence must be two-thirds of the maximum sentence.

629 **Section 13. Split Sentences.** A sentence to the state prison shall
630 not be suspended in whole or in part. A sentence to a house of
631 correction shall not be suspended in whole, but a sentence to a
632 house of correction may be suspended in part to permit the impo-
633 sition of a split sentence. In imposing a split sentence, a judge
634 shall impose a minimum and a maximum term as provided by
635 § 6(a) of this chapter and shall specify the period of incarceration
636 to be served in the house of correction. The judge shall also
637 specify the term of probation to be served subsequent to the
638 period of incarceration.

639 **Section 14. Financial Sanctions.** When appropriate, a judge
640 shall order fines or restitution or both as part of any sentence.
641 Restitution to the victim shall be a priority of the judge at the time
642 of sentencing, regardless of whether the offender is incarcerated.

643 **Section 15. Imposing a Sentence.** In sentencing a defendant
644 after trial or after acceptance of a guilty plea pursuant to either

645 Rule 12 of the Rules of Criminal Procedure or Rule 4(c) of the
646 District/Municipal Court Rules of Criminal Procedure, the court
647 shall comply with the provisions of Rule 28 of the Massachusetts
648 Rules of Criminal Procedure. The judge shall allow both parties to
649 be heard at sentencing on all sentencing issues. In determining the
650 sentence, the judge may rely on any evidence received during the
651 proceedings; any victim impact statement; any presentence report,
652 when the judge requests one; and, any other information the judge
653 deems credible. A sentencing statement shall be completed in
654 accordance with G.L. c. 211E § 3(h) for each defendant being sen-
655 tenced. The sentencing judge shall sign the completed sentencing
656 statement and a copy shall be submitted to the Sentencing Com-
657 mission as provided in G.L. c. 211E § 3(h).

658 **Section 16. Right of Appeal.** The defendant or the common-
659 wealth may appeal a sentence imposed pursuant to sentencing
660 guidelines, to the extent an appeal is permitted in accordance with
661 the provisions of section 4 of chapter 211E of the General Laws.
662 The provisions of sections 28A and 28B of chapter 278 of the
663 General Laws shall not apply to any offense committed on or after
664 the effective date of this chapter.

1 SECTION 2. *Severability.* Where any provision of this chapter
2 or the application thereof to any person or circumstance, shall, for
3 any reason, be held invalid, the remainder of this chapter or the
4 application of such provision to persons or circumstances other
5 than those as to which it is held invalid shall not be affected
6 thereby.

1 SECTION 3. *Split Sentences.* Section 3(a)(2) of chapter 211E
2 of the General Laws is hereby amended by inserting after the
3 phrase, “Said sentence shall not be suspended in whole or in part,”
4 the following: “except for the imposition of split sentences to the
5 house of correction pursuant to chapter 211G.”

1 SECTION 4. Section 3 (e) of chapter 211E of the General Laws
2 is hereby amended by inserting after the phrase “impose a sen-
3 tence below any mandatory minimum term prescribed by statute,”
4 the following: “only to the extent provided by chapter 211G.”

1 SECTION 5. *Effective Date.* The provisions of this chapter shall
2 take effect on January 1, 2004 and the sentencing guidelines and
3 other related provisions contained herein shall apply to all felonies
4 and misdemeanors committed on or after that date. All offenses
5 committed prior to January 1, 2004 shall be governed by the laws,
6 including but not limited to those on sentencing, parole, and proba-
7 tion, in effect at the time the offense is committed. Any amendments
8 to the sentencing guidelines shall apply to all offenses committed on
9 or after the effective date of the amendment.
